

## LIMITED WARRANTY

ITR USA Inc. (dba ITA) warrants to the original retail purchaser that every new CAPITOL brand radial tire and every new brand radial tire is free from defects in material and workmanship, for the life of the original usable tread of the tire, or four years from the date of manufacture, whichever comes first. A tire has delivered its full original tread life and the coverage of this limited warranty ends when the treadwear indicators of the tire become visible (that is, worn to 2/32").

If a tire covered by this Limited Warranty is removed from service due to a defect in workmanship or materials, ITA will do either of the following:

- a) If the tire is removed from service as a result of such defect during the first 50% of the original tread depth, ITA will replace such tire with a comparable new CAPITOL brand tire (as the case may be) free of charge, except that applicable taxes on the new tire and costs of mounting and balancing shall be borne by you.
- b) If the tire is removed from service due to such a defect after the first 50% of the original tread wear, based on the current advertised retail selling price, ITA will give credit toward your purchase of a new comparable CAPITOL brand tire in proportion of the original usable tread remaining of such defective tire to the original usable tread of that tire when new.

Out-of-balance and out-of-round adjustments however will only be accepted during the first 2/32" of tread wear. A "comparable" new tire will be the same brand tire and may either be the same model of tire or if that model is unavailable then the same brand tire with the same basic construction and quality, but with a different sidewall or tread configuration. If a higher priced tire is accepted as replacement, the difference in price (based on the current advertised retail selling price) will be at an additional charge to you.

Any replacement tire provided pursuant to this Limited Warranty will be covered by the ITA warranty for CAPITOL or brand tires in effect at the time of replacement.

### LEGAL RIGHTS

Any implied warranties, including warranties of merchantability and of fitness for a particular purpose, shall be limited in duration to the above period or the minimum period required by applicable law, if shorter. To the extent permitted by law, ITA shall not be responsible for incidental or consequential damages, such as loss of use of the tire or of the vehicle on which it was used, inconvenience or commercial loss. Some states and provinces do not allow limitation on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
